#### IMPORTANT INFORMATION ON PASTORAL VOTE

We want to keep you all informed on the search and selection of our next Senior/Lead Pastor. Rusty Thomas, Search Team chairman, will give additional information this Sunday, during each worship service. Our only candidate, Steve Warner, will be put before the membership for a vote, which is planned to happen on Mother's Day, May 12.

The difference this time, from the effort last Summer, will be that all information about the candidate, including the very interview that the board had, will be made available to you, likely on Sunday May 5, after the second worship service. In addition, there will be personal exposure to the family, on-site opportunities at our church, so you will be "super-informed" up front, with the very final exposure being the sermon on Mother's Day, May 12.

On May 12, each member will sign in and get your official ballot at the table provided in the lobby. Following the message by our candidate, each member will mark their ballot, then turn it in after the service they attend, at the same table where they got their ballot. This will prevent the awkward and unnecessarily delay in time, especially for our candidate.

Absentee ballots may be used for those who are not able to be present on May 12. That ballot may be picked up at the church office the week previous to Mother's Day, during regular office hours, 8am-4pm.

This is a very exciting time for our congregation and we are glad you are part of these good days God is giving us!
