August Community Project - Back to School Prayer

Through the month of August, CCWC will be sending out prayer warriors to visit each of the school districts in our county to pray over the facility and grounds and ask God to protect our children, the school faculty, and staff from anything that may come against them. The first school prayer will happen today, August 1st, at Athens High School after the second service. For more information and the schedule for the month, please visit the table in the lobby.

Kids Camp 2021-

Reminder to parents with children leaving today: Please have the children (and their belongings) at the church by 1:30pm today. If you have any more questions, please find Pastor Ehrich before leaving service today.
