

## Welcome!

If you are a guest with us today, we would love to meet you! Stop by the Information Center in the lobby to say hello and pick up a gift to thank you for joining us!

### CCWC Block Parties- July Community Project

As Christians, the Bible calls us to “practice hospitality” and love our neighbors. What better way to do so than by hosting a Neighborhood Block Party? CCWC will be providing everything you will need to host a gathering in your yard, local park, city street, or other creative locations. Please stop by the Information Center to request a Block Party Packet for more information. Let’s remember our mission as a church—to *make disciples who make disciples*—as we reach out to our communities to share God’s love.
