

## Welcome!

If you are a guest with us today, we would love to meet you! Stop by the Information Center in the lobby to say hello and pick up a gift to thank you for joining us!

### Group Link - Today

We believe that true life change happens within the context of a community. You're not made to do life alone! Life is better when we are connected. Here at CCWC, we desire to become a church "of" small groups, not "with" small groups. Our groups come in all shapes and sizes, and we have a group for every age and stage of life. Check out more details, times, and locations in the flyer you received as you came in. Please visit the table in the lobby to sign up today!

### September Community Project - Global Impact

We are living in a unique time where our world is experiencing a lot of natural disasters. There are earthquakes in Haiti, fires in the west, and hurricanes in the south. We are focusing on getting supplies collected to be distributed in Louisiana. Next week we will provide a list of supplies that you can donate that will go to the clean-up and needs of the people struck by the hurricane. We are in the process of working with the Wesleyan Church to give us directives about how best to help. In the meantime, please pray for them. Pray that God would provide everything they need to stay healthy and safe.

*Are my words or actions \_\_\_\_\_ towards others? Will I add \_\_\_\_\_ to another?*

*Does this \_\_\_\_\_ God?*
