April Community Partner *First Friends Daycare/Preschool*

Each month the Local and Global Impact Team of CCWC humbly partners with a local or regional church, para-church, or non-profit organization. For the month of April we are excited to promote and partner with one of our very own ministries, First Friends Preschool and Daycare! First Friends strives to facilitate a Christ-centered environment that offers exploration, play, and teaching for preschool children; as well as after school care for school-aged kids. First Friends has touched many young lives in our community and we are excited to continue to invest in this pursuit!

This year we are partnering with First Friends to raise financial and prayerful support for their ministry. Financial contributions will assist in playground and safety equipment upkeep and repairs, as well as make direct investments toward classroom resources, toys, cots, and free-play items. Please join us in making a direct financial donation to First Friends as well as add the staff, teachers, children, and families to your prayer list. Stop by the First Friends display in the lobby to hear more about the ministry!

Family Dinner - MAY 15

The next Family Dinner will be May 15. The third Sunday of April falls on Easter Sunday, and we are not having Family Dinner so that everyone can spend the day with their own families. We will resume Family Dinners in May. Sign-ups will be available at a later date.
