WELCOME!

We are so glad you decided to join the CCWC family for worship today! Our hope is that you will encounter the love of Jesus and be encouraged in your faith journey! Further, we also want to aid you in taking your NEXT STEP! Part of our mission as a church is to aid all people in taking their NEXT STEP in faith, to become a *disciple who makes disciples*. This bulletin is intended to communicate details and express information on how to make this vision a reality!

FIRST-TIME GUESTS

Thanks for joining us! Help yourself to some complementary coffee at our Café in the Lobby! Grab a chair and connect with others, or take a moment to tour and check out our facility.

Please visit our Info Center! We'd love to meet you, present you with a free gift today, and make a donation in your name to our monthly COMMUNITY PROJECT or PARTNER.

We love children and want you to know your kids are welcome here! We have kids' ministry for birth-6th grade during each worship service. If you prefer to keep your children with you but they become restless, we invite you to take advantage of the live-feed video in our main lobby or in the lobby of our kids ministry area.

Kairos

Volunteer Opportunities

Kairos is a prison ministry that takes the love of God to men and woman who need it most. In order to volunteer, everyone must go through a security check, training, and team formation meetings. It is now time to begin this process. Team formation meeting will be held at a church in Lancaster, OH on the following dates: March 18, March 25, April 1, April 15, and April 22. The Kairos weekend event inside the prison will begin Thurs. April 27 and goes through that Sunday. For more information, please call or text Tom Dishong (740) 591-4353.

CCWC Kids

Easter Extravaganza

CCWC Kids is having an Easter Extravaganza and we need your help! We are looking for candy donations for our Easter egg hunt. You may drop off bags of individually wrapped candy that will fit into a plastic egg, at the table in the lobby. You may drop them off anytime in the month of March. Thank you for your continued support of CCWC Kids Ministry!

Greetings CCWC Family!

As many of you probably already know the original CCWC facility is nearing 25 years of age. The reality is we are in the midst of making some considerable repairs. Over the past couple of years the leadership of CCWC has been in the process of making repairs where needed from HVAC units, to flooring updates, to plumbing and electrical needs, and beyond; all recognizing these are common issues for any facility after 25 years of existence. As we have been assessing the building and continuing to put together plans for additional necessary improvements and repairs we have found that the asphalt shingled portion of the roof is in need of replacement and repair. Most recently some places have even begun to leak, opening the door for interior damage. Sun, wind, snow, and time have all played a role in the deterioration of our current roof.

After a great deal of research and the collection of countless bids by our Facilities Manager, Joe Frazier and the Trustees a plan was presented, including one of the bids, to the LBA for approval. The LBA in turn accepted the bid and the project is scheduled to take place this Spring. The total cost of this project will be in the range of \$114,000. At this time we do have the means to cover this project in a maintenance account in our savings. However, it would wipe out nearly the entire amount. This is concerning because of the age of the building and because we already know of other, less urgent needs are that pending.

Our ask as a Local Board of Administration is that our church family would prayerfully consider giving, over and above your tithe to this project. Today we will be facilitating a special offering for this project, but you can give through August. One hundred percent of the gifts and offerings given to this project will go directly toward off-setting it's total cost.

Thank you all for prayerfully considering how you can contribute to this project and to being good stewards of what God has given us. Please reach out to me, Joe Frasier, or any member of the Local Board of Administration with any questions.

God bless you,
Pastor Steve
